

# Strategic Initiative Work Plan 2010-11

**Strategic Priority: Time and Space**

**Goal Area: 21<sup>st</sup> Century Learning Environment**

**Focus Area: Flexible Learning**

**Team Lead: Mike Stromme**

## Goal:

By 2013, the district will provide flexible learning environments that have the capacity and a sustainable support system for abundant and embedded technology as a learning tool. These learning tools will be available to and accessed by all staff and learners, in all curricular areas, through multiple instructional delivery methods including face-to-face learning, e-learning and blended instruction.

## Target Objective: A

By 2010, the district will develop strategies to increase awareness and support among staff, students, parents and the broader community regarding the need and the benefits of 21<sup>st</sup> century learning environments.
